30 Years of Distribution & Service

Down East Spas are manufactured by Master Spas Inc of Fort Wayne, Indiana, USA and distributed in Europe by Aegean Ltd, Mill Hill, London, England. All specifications, dimensions and pictures are for guidance only and may vary or differ. Some models in the brochure may be shown with optional equipment and as this is the European English language brochure some models vary from country to country so your retailer needs to confirm the current specification of a particular model in their EU region. This brochure is not a contractual document. Description of Due to a policy of continual development Master Spas reserve the right to change the specifications or features of Down East Spas without notice. Please consult with your retailer over final specification, shell and cabinet colour. Your retailer is an independent business and not an employee of Master Spas Inc or Aegean Ltd and as such Master Spas and / or Aegean cannot accept any responsibility or liability for any representations, statements or contracts made by a retailer beyond the provisions of our written limited warranty available from Aegean Ltd. Alcoholic beverages should not be consumed during spa use or glassware used around or in the spa. All units are for private domestic hydrotherapy use only. The Limited Warranty allows for a minimum £55 travel charge to a spas locations in England and Wales, or a sum set by EU regional dealerships and is subject to the terms and conditions of use available from Aegean Ltd. The limited warranty, subject to conditions and correct use, is 2 years parts and labour for spa and spa-pool units detailed in this brochure, this excludes lids and pillows that carry a 1 year warranty and excludes non warranted consumable or replaceable items such as filters and ozone chip. This brochure for England and Wales replaces all previous brochure and specifications. All spas must be tested and treated daily with an approved chlorine based sanitizer as advised and instructed by your retailer. Bromine should not be used with Eco Pur cartridges and Tri Chlor tablets should not be used as they can damage equipment and surfaces. The use of unauthorised products on your spa may invalidate the warranty. Master Spas Inc, 6927 Lincoln Parkway, Fort Wayne, IN 46804
